OFFICE OF THE PRESIDENT

Dear Members of the Catholic Cemetery Conference,

We're excited to announce a new 20 percent discount on degree programs at Lewis University for members of the Catholic Cemetery Conference.

We invite you to visit [www.lewisu.edu](http://www.lewisu.edu) to learn more about this tuition discount off regularly published tuition, which applies to most graduate and adult undergraduate programs delivered online or on-ground at any Lewis University site. Most classes are offered in an eight-week format that provides convenience and quality in the Catholic tradition.

As an employee of a Catholic cemetery, we understand that your time and resources are pulled in many directions. More than 40 percent of our student body consists of adult students who are working while balancing family commitments and attending either undergraduate or graduate programs. That's why we provide small, personalized classes with faculty who mentor and offer transformative experiences.

The quality of our mid-sized university is continually praised by students, alumni and other organizations. Lewis University has been named one of the "Best Colleges" by U.S. News & World Report and received recognition from The Princeton Review.

Sponsored by the De La Salle Christian Brothers, our values-centered curriculum combines a liberal arts foundation blended with relevant professional education. As a student in a Lasallian university, you become one of a million students in the global Lasallian educational network. The De La Salle Christian Brothers operate 1,000 schools and educational centers in 79 countries.

No one knows the value of a Lewis University degree better than your Executive Director, David LaBarre. He is an engaged alumnus, who earned an undergraduate degree in Business Administration and graduate degree in Organizational Leadership. Our university is appreciative of David's efforts in partnering with us to advance the Catholic Cemetery Conference's mission, "To foster and promote the religious, charitable and educational interests of Catholic cemeteries and their beneficiaries in cemetery service."

Sincerely,

David J. Livingston, Ph.D.  
President
